Dear United States District Court For The Northern District of Texas  
Wichita Falls Division Office of the Clerk, I Richard L. Butler Jr.  
Just received on this past Friday 12-21-18 my Offender Grievance  
Form that was requested in a past letter from your Honorable courts.  
I have no control over when the grievance department returns  
them back to me as a inmate. I have other grievances from  
many past weeks that I have complained upon. Some which I  
have received and have sent to the Huntsville, Tx grievance  
dated back in October of this year. I do feel as if the grievance  
department ignores them and maybe just does not respond.

As my complaints of a permanent single cell Restriction is a  
serious matter as I am a Transgendered male who suffers  
from Traumatizations being a Mental Health patient (inmate)  
suffering from bipolar, major depression, severe explosive disorder  
and paranoia schizophrenia. I attended the Dallas Metro  
Cares Mental Health Clinic phone number 214) 330-0036 and  
The Andrew Center Mental Health treatment Facility phone  
number 903) 569.5409 for these diagnoses and have sent  
you my mental Health Record weeks ago.

Please help me with a court ordered permanent single cell  
Restriction as this matter is seriously an issue from being  
traumatized from my Self-Defense murder case and a sexual  
Assault while in prison.

Thank you and God Bless! *Richard L. Butler Jr*

I have a high temperament of violence with cellies and Lash out awaking from Nightmares because of being traumatized dealing with a Self-Defense murder I committed that landed me here in prison. wrongfully. Out of these Nightmares I become very violent, uncontrollable and Life threatening towards all cellies and I dont remember the assault. I have 5 violent assaults I just committed with cellies and I tried to Kill them and I dont even remember them. When I was on Sertraline I felt Fine and calmer, I recieved Government assistance in the Free World and I am used to being able to have a Mental Health provider (Doctor) to talk to.

I am complaining of mental mal-practice here at the Allred unit and I wish to talk to outside Authorities about this Life threatening very serious issue that is taken place please.
